Person Responsible:	Mr John Akinduro	Frequency of Review:	1 Year

Authorisation Date:	06/11/2020	Review Due By:	06/11/2021

1 Purpose of the plan

This plan examines potential risks and issues that could disrupt the exams process at the centre. By outlining actions/procedures to be invoked in case of disruption, it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by the Ofqual *Exam system contingency plan: England, Wales and Northern Ireland - What schools and colleges and other centres should do if exams or other assessments are seriously disrupted and the JCQ Joint Contingency Plan in the event of widespread disruption to the Examination System in England, Wales and Northern Ireland.*

This plan also confirms Upper Wharfedale School is compliant with the JCQ regulation (section 5.3, General Regulations for Approved Centres 2020-2021) that the centre;

“has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations or on results day, owing to an unforeseen emergency.

2 Possible causes to disruption to the exam process

2.1 Exam officer extended absence at key points in the exam process (cycle)

Criteria for implementation of the plan

Key tasks required in the management and administration of the exam cycle not undertaken, including:

- Planning
- Entries
- Pre-exams
- Exam time
- Results and post-results

Centre actions

General

The Exams Officer maintains a schedule of tasks that need to be completed. This can be accessed by the Exams Administrator or the Head of Centre at any time. The Exams Officer uses relevant SIMS manuals that might be required at any time throughout the year. These can be accessed by the Exams Administrator or the Head of Centre at any time.

Making Entries

The Exams Administrator or the Head of Centre have access to the SIMS Exams Organiser software in order to make entries. Subject leaders and Heads of Faculty will be asked to check entries in good time of entry deadlines.

Coursework

Where applicable the subject leader is aware of the deadline and the data that has to be submitted. The exams administrator or Head of Centre will submit coursework marks and check that coursework samples are sent by subject leaders by the required dates.

Exam Period

In case of absence, the Examinations Officer will inform the Exams Administrator or the Head of Centre in good time so that the smooth running of examinations can be ensured. A folder will be made up during each exam period detailing which exams are taking place and when with seating plans, access arrangements information, rooms, candidate lists, attendance registers and invigilator lists and can be found in the exams office clearly labelled.

Exam Papers

The Examinations Officer, Exams Administrator or the Head of Centre have access to the keys to the secure exam storage cupboard. Exam papers are set out in the secure storage cupboards in date order so that the following day's exam papers are always easily found. Exam packets may need to be opened and re-packed if an exam is taking place in more than one room. This must be witnessed by a 2nd person to check that the correct envelope is being opened – check JCQ guidelines for how far in advance of the exam this may be done.

Script despatch

Scripts must be packed and either taken to reception for collection in the afternoon or locked up in the exams storage room in the secure cupboards (if it is too late for that day's collection). Parcelforce collect scripts between 12.30 pm and 4.00 pm

The exam board attendance registers are stored in exam room drawers – these must be completed and signed. One copy goes into the envelope with the scripts, the other is kept for our own records. Script envelopes need to be used to dispatch the scripts – these are also kept in the exam drawers.

A yellow label must be stuck on the envelope – these are stored with exam board registers. A Parcelforce despatch form must be completed for each collection, they must be signed by the driver on collection.

Results

The Head of Centre will access results using the manuals in the exams office.

2.2 SENCo extended absence at key points in the exam cycle

Criteria for implementation of the plan

Key tasks required in the management and administration of the access arrangements process within the exam cycle not undertaken including:

- Planning
- Pre-exams
- Exam time

Centre actions

The Exams Officer will closely monitor the access arrangement process in the event of the SENCo having an extended absence. The Inclusion Co-ordinator will liaise with the Head of Centre and centre staff regarding the identification and approval of access arrangements and collation of evidence. Specialist advice will be sought from outside agencies if the need arises.

2.3 Teaching staff extended absence at key points in the exam cycle

Criteria for implementation of the plan Key

tasks not undertaken including:

- Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received
- Final entry information not provided to the exams officer on time; resulting in candidates not being entered for exams/assessments or being entered late/late or other penalty fees being charged by awarding bodies
- Non-examination assessment tasks not set/issued/taken by candidates as scheduled
- Candidates not being informed of centre assessed marks before marks are submitted to the awarding body and therefore not being able to consider appealing internal assessment decisions and requesting a review of the centre's marking
- Internal assessment marks and candidates' work not provided to meet awarding body submission deadlines

Centre actions

The Exams Officer will closely monitor the key tasks undertaken by teaching staff and will liaise with the Head of Centre and other centre staff regarding entry information. The Head of Centre will monitor the progress of nonexamination tasks, coursework marks and internal assessment marks and ensure steps are put in place to complete these and inform candidates of these within the appropriate timescales. Awarding bodies will be informed of any potential issues as soon as possible.

2.4 Invigilators - lack of appropriately trained invigilators or invigilator absence

Criteria for implementation of the plan

Failure to recruit and train sufficient invigilators to conduct exams

Invigilator shortage on peak exam days

Invigilator absence on the day of an exam

Centre actions

In the unforeseen event of the centre is unable to recruit and train sufficient invigilators, support staff within school will be trained and released to conduct exams

Invigilators are given their timetables in advance and should all report to the exams office on arrival. The folder will detail where they are meant to be and with which candidates. Invigilators' hours are organised by the Exams Officer. If an invigilator does not turn up for any reason a member of SLT will stand in for them.

2.5 Exam rooms - lack of appropriate rooms or main venues unavailable at short notice

Criteria for implementation of the plan

Exams officer unable to identify sufficient/appropriate rooms during exams timetable planning

Insufficient rooms available on peak exam days

Main exam venues unavailable due to an unexpected incident at exam time

Centre actions

If the exams officer is unable to identify sufficient/appropriate rooms during the planning period, timetable changes will be made to ensure that appropriate rooming is in place. This is also the case on peak exam days.

If there is an unexpected incident at exam time preventing the use of a room, the Head of Centre will liaise with other local schools to accommodate the exam – Settle College, South Craven, Skipton Academy and Craven College. Special consideration will be applied for and the students kept secure for the duration of the delay.

2.6 Failure of IT systems

Criteria for implementation of the plan

MIS system failure at final entry deadline

MIS system failure during exams preparation

MIS system failure at results release time

Centre actions

In the event of a MIS system failure at crucial times during the exam cycle the ICT Manager will be informed as soon as possible and every step will be taken to reinstate the MIS to working condition. Exam boards will be notified in good time and steps will be taken to continue proceedings using manual systems.

2.7 Emergency evacuation of the exam room (or centre lock down)

Criteria for implementation of the plan

Whole centre evacuation (or lock down) during exam time due to serious incident resulting in exam candidates being unable to start, proceed with or complete their exams

Centre actions

If the fire alarm sounds the exams officer will immediately enter the main exam room (Hall) and note the time of the alarm. The head of centre will liaise with the exams officer regarding the necessity for stopping the exam and evacuating the building. If the need arises for an evacuation, the normal school Fire Evacuation Procedures for examinations will apply:

A) THE SCHOOL HALL

1. Candidates will stop writing and close their answer booklets.
2. The Exams Officer will remind the candidates of the need to remain in silence and not communicate with any other candidate.
3. Candidates will evacuate the room one row at a time via the fire exit door from the hall. They will take their desk labels with them for identification purposes.
4. One Invigilator will go with the first group of students, and the second (if available) will go with the second group of students. The first Invigilator will take the internal attendance register with him/her.
5. The Exams Officer will be the last to leave the room, having secured the Evacuation of all candidates and the room.
6. Candidates will proceed to the tennis courts and line up in exam room order, leaving adequate space between rows and columns to maintain the security of the exam.
7. The first Invigilator will take the register (with the aid of the desk labels for identification) and remind candidates not to communicate with the rest of the school who will be lined up in the bus turning circle next to the tennis courts.
8. The Exams Officer will report to the Head of Centre when all students are accounted for

Returning to the Exam Room:

9. Candidates will return to the exam room in reverse order. The Exams Officer will go with the first group of students and the second Invigilator (if available) will go with the second group and the first Invigilator with the last group of candidates.
10. In assessing whether or not to continue the exam the Exams Officer will liaise with the Head of Centre (or his/her nominated deputy) as to whether or not the session will continue. The Head of Centre (or his/her nominated deputy) will take the following factors into consideration:
 - The length of time that has passed since the official start time
 - Whether the minimum time for remaining the examination has passed to maintain the integrity of the exam.
 - The amount of time left to complete the exam(s)
 - Whether there is sufficient time to complete the exam before another session starts.
 - Whether continuing the exam will take candidates over the session limit of 3 hours, taking particular care to consider candidates with access arrangements which include extra time.

If the Head of Centre (or his/her nominated deputy) are satisfied that the above conditions have not been breached he/she will ask the Exams Officer to continue the exam.

11. The Exams Officer will ask all candidates to mark their work with an Asterisk (star) so that the exam board can identify where the candidates' concentration was disturbed.
12. The candidates will continue with the exam and be given the full allocated amount of time (including stoppage) for the completion of the exam.
13. Scripts will be submitted to the exam board in the usual manner at the end of the exam.
14. The Exams Officer will apply for special consideration for all affected candidates.
15. If the above conditions cannot be met the Exams Officer will liaise with the Head of Centre regarding a decision to abandon the session.

If the session is to be abandoned, this will be either:

- Because of consideration of the criteria above,
 - Because re-entry to the premises cannot be secured
 - Because the risk of communication between candidates, the validation of the exam cannot be guaranteed
16. The Exams Officer will contact the Exam Board at the first opportunity and then apply for Special Consideration of all affected candidates.
 17. Partially completed papers will be sent to the exam board by the usual means if requested.

If Evacuation is unnecessary:

The Exams Officer will apply procedures (11) – (15) above providing the conditions in (10) above can be guaranteed.

B) All OTHER EXAM ROOMS IN USE AT THE SAME TIME AS THE HALL

18. The Invigilator in charge of the room will follow procedures (1) – (7) above, immediately evacuating the room and accompanying the candidates to the tennis courts.
19. The Invigilator will wait for further instruction from the Exams Officer who will communicate with the Invigilator at the earliest opportunity.
20. The Exams Officer will apply procedures (8) and (10) – (17) above.

C) EXAMS TAKING PLACE IN OTHER EXAM ROOMS WHEN THE HALL IS NOT IN USE (including on-line exams in the ICT Room)

Procedures (1) – (14) above will apply, providing the conditions in (10) above can be guaranteed.

If the lock down bell sounds, the full policy will be adhered to and students will be kept in the exam hall or room, away from doors and windows. A note of the time will be taken and the exam board will be notified as soon as it is safe to do so.

2.8 Disruption of teaching time in the weeks before an exam – centre closed for an extended period

Criteria for implementation of the plan

Centre closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning Centre closed interrupting the of normal teaching and learning

Centre actions

Where there is disruption to teaching time and students miss teaching and learning, it remains the responsibility of the centre to prepare students, as usual, for examinations. In case of modular courses, centres may advise candidates to sit examinations in an alternative series. Centres should have plans in place to facilitate alternative methods of learning.

2.9 Candidates unable to take examinations because of a crisis – centre remains open

Criteria for implementation of the plan

- Candidates do not turn up for an exam
- Candidates turn up for an exam that they are not entered for
- Candidates are entered for the wrong paper
- Candidates are taken ill during an exam
- Awarding Body communications systems fail – online exams

Centre actions

Students do not turn up for exam

Message to Reception to ring home. Students can be admitted into the exams room up to 1 hour after published start of exam when the exam is over 1 hr duration. If they cannot attend the exam students can be given the opportunity to sit the exam at the next available series and/or special consideration can be applied if the adverse circumstances are beyond their control and if the student has met the minimum requirements.

Students turn up who are not entered

Check with Subject leader/SMO. Find a paper, seat them, amend attendance list and make entry. Charge late fee to department. If recurring problem see SLT.

Students are entered for the wrong paper

Subject leader contacted to confirm error. Contact Awarding Body for copy of paper if necessary. Provide exam paper, seat and amend entry.

Student taken ill during exam

Invigilator ring reception/on-call to contact first aider. Special Consideration for student(s)

Awarding Body communications systems fail – on line exams

Contact awarding body immediately

2.10 Centre unable to conduct exams because of a power outage – centre remains openCriteria for implementation of the plan

Candidates are unable to site their exam due to a power outage in the exam room

Centre actions

Site Manager and ICT Manager informed as soon as possible. Re-room the exam to rooms with power if possible. Start the exam late within JCQ regulations if power is restored. Special consideration to be applied for only if external examinations cannot be taken, and it is the final exam opportunity for the students concerned before cash-in. To be completed within 7 days of exam date.

2.11 Centre unable to open as normal during the examination period (including in the event of the centre being unavailable for examinations owing to unforeseen emergency)Criteria for implementation of the plan

Centre unable to open as normal for scheduled examinations

Centre actions

If there are timetabled examinations scheduled on a day when the Head Teacher decides that the school should be closed to staff and students, the following procedures will be implemented:

The school has a team of staff who, should conditions allow, are able to come to school to ensure that timetabled exams may go ahead. In such an eventuality, the school as an examination centre will only open to candidates sitting timetabled GCSE written examinations. In order that the school can ensure the correct administration of exams, the team has to include the Exams Officer or a suitably trained member of leadership team. If these members of staff are not able to get into school the scheduled exam(s) will not run. In line with JCQ (Joint Council for Qualifications) guidance, the school will endeavour to be open and, where conditions allow, timetabled examinations will go ahead. If the start of the exam is delayed candidates will be isolated and the exam board will be notified. Special consideration may be applied.

Advice and recommendations from the JCQ state:

“Wherever possible, the examinations should be conducted according to the centre’s published examination timetable” and “it is important to note that rescheduling the examinations is not an option due to the consequences that it would have across the system”

In the event that weather is adverse and the school is closed on a day of a scheduled public examination the Head Teacher will assess the possibility of key staff being able to attend. If he is confident that key staff are able to be in attendance and that the exam will run. The school website will be updated to show timetabled examinations are still going ahead and advising of any revised start times. Start times may be delayed for morning exams if a number of

candidates are late (permission will be sought from relevant awarding bodies). All candidates are expected to make the effort to come in and sit their examination. The decisions regarding travelling to school for an exam rest with individual families taking consideration of the weather and road conditions locally to them. If a candidate is unable to get into school on an exam day as a result of inclement weather, it is imperative that families contact the school as soon as possible to explain that this has occurred. If the head teacher were to take a decision that the school has to close, as it is unsafe to open, we would notify the exam board that we had been unable to run the exams that were scheduled for that day.

If the school has to be closed for a prolonged period of time which may affect more than one examination, students may need to sit the exam at an alternative venue. The agreed venue for this is The Skipton Academy. Transport for students will be arranged as soon as possible, along with necessary other arrangements such as exam desks and secure transportation of papers.

In the event of the centre having to partially close they will:

- consider opening school for examinations and examination candidates only
- use alternative venues in agreement with relevant awarding organisations (e.g. share facilities with other centres or use other public buildings if possible)
- apply to awarding organisations for special consideration for candidates where they have met the minimum requirements
- offer candidates an opportunity to sit any examinations missed at the next available series, if possible

2.12 Disruption in the distribution of examination papers

Criteria for implementation of the plan

Disruption to the distribution of examination papers to the centre in advance of examinations

Centre actions

The centre will contact the awarding organisation to:

- source alternative couriers for delivery of hard copies
- provide centres with electronic access to examination papers via a secure external network
- fax examination papers to centres if electronic transfer is not possible

The examinations officer would ensure that copies are received, made and stored under secure conditions and should have plans in place to facilitate such an action. Awarding organisations would provide guidance on the conduct of examinations in such circumstances.

As a last resort, and in close collaboration with centres and regulators, awarding organisations to consider scheduling of the examination on an alternative date.

2.13 Disruption to the transportation of completed examination scripts

Criteria for implementation of the plan

Delay in normal collection arrangements for completed examination scripts/assessment evidence

The centre to communicate with relevant awarding organisations at the outset to resolve the issue

The centre will, in the first instance, seek advice from awarding organisations and their normal collection agency regarding collection

The centre will not make their own arrangements for transportation without approval from awarding organisations

The centre will ensure secure storage of completed examination scripts until collection

2.14 Assessment evidence is not available to be marked

Criteria for implementation of the plan

Large scale damage to or destruction of completed examination scripts/assessment evidence before it can be marked
Completed examination scripts/assessment evidence does not reach awarding bodies

Centre actions

If possible, the candidate will retake the assessment that has been affected at a subsequent assessment window
The awarding organisations can be asked to generate candidate marks for affected assessments based on other appropriate evidence of candidate achievement, as defined by the awarding organisations in consultation with the regulators
It is the responsibility of the head of centre to communicate this immediately to the relevant awarding organisation(s) and subsequently to students and their parents or carers

2.15 Centre unable to distribute results as normal or facilitate post results services (including in the event of the centre being unavailable on results day owing to unforeseen emergency)

Criteria for implementation of the plan

Centre is unable to access or manage the distribution of results to candidates, or to facilitate post-results services

Centre actions

The centre will make every effort to make arrangements to access results at an alternative site and/or share facilities with other schools and colleges if possible
The centre will also contact the awarding organisations about alternative options
The centre will arrange for the results to be collected from an alternative venue and communicate this to students via the school website and any other means possible
The centre will arrange to make post results requests at an alternative location and contact relevant awarding organisations if electric post results requests are not possible

Disruption to assessments or exams

In the absence of any instruction from the relevant awarding organisation, the school or college should assume that any exam or timetabled assessment should take place if it is possible for it to do so. This may mean having to locate alternative premises.

If the exam or assessment cannot take place, or if a student misses an exam or loses their assessment due to an emergency or other event outside the control of the school or college, you should discuss alternative arrangements with your awarding organisation.

See also:

- [JCQ Joint Contingency Plan for the Examination System in England, Wales and Northern Ireland](#)

Steps you should take:

Exam planning

1. Review your contingency plan well in advance of each exam series.
2. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation's requirements.

In the event of disruption

1. Contact the relevant awarding organisation and follow its instructions.
2. Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.

3. Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
4. Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
5. In the event of an evacuation during an examination please refer to JCQ's [Centre emergency evacuation procedure](#).
6. Communicate with parents, carers and students any changes to the exam or assessment timetable or to the venue.
7. Communicate with any external assessors or relevant third parties regarding any changes to the exam or assessment timetable.

After the exam

1. Consider whether any students' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply for special consideration.
2. Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
3. Ensure that scripts are stored under secure conditions.
4. Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

Steps the awarding organisation should take:

Exam planning

1. Establish and maintain and at all times comply with an up to date written contingency plan.
2. Ensure that the arrangements in place centres and other third parties enable them to deliver and award

qualifications in accordance with their conditions of recognition. **In the event of disruption**

1. Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
2. Provide effective guidance to any of their centres delivering qualifications.
3. Ensure that where an assessment must be completed under specified conditions, students complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).
4. Promptly notify the relevant regulators about any event which could have an adverse effect on students, standards or public confidence.
5. Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners

After the exam

Consider any requests for special consideration for affected students. For example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

If any student misses an exam or are disadvantaged by the disruption

If some of the students have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects.

Wider Communication

The regulators, [Ofqual](#) in England, [Qualifications Wales](#) in Wales and [CCEA](#) in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The [Department for Education](#) in England, the [Department of Education](#) in Northern Ireland and the [Welsh Government](#) will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption; and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the [Universities and Colleges Admissions Service](#) (UCAS) and the [Central Applications Office](#) (CAO) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

Widespread national disruption to the taking of examinations/assessments

The government's view across England, Wales and Northern Ireland is education should continue in 2020/21 with schools remaining open and that examinations and assessments will go ahead in both autumn 2020 and summer 2021.

As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for exam timetables.

We will update this page as necessary should national disruption occur with any further relevant links.

3.2 JCQ

Contingency planning

15.1 The qualification regulators, JCQ and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.

Further information may be found at: <https://www.gov.uk/government/publications/exam-system-contingency-planengland-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted>

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body/bodies.

15.3 Centres should prepare plans for any disruption to examinations as part of their general emergency planning. It is important to ensure that relevant centre staff are familiar with the plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the relevant awarding body must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate a 'contingency day' for examinations, summer 2021. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland -

<https://www.gov.uk/government/publications/examsystem-contingency-plan-england-wales-and-northern-ireland>
The designation of a 'contingency day' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

In the event of national disruption to a day of examinations in summer 2021, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the contingency day. Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres must therefore ensure candidates and parents are aware of this contingency arrangement so that they may take it into account when making their plans for the summer. However, the awarding bodies will not insist upon candidates being available throughout the entire timetable period as a matter of course.
